Giving Options

- Cash gifts to the Marin County Library Foundation (MCLF) provide immediate benefits to the Marin County Free Library and income tax deductions to our donors.
- Make the MCLF a direct recipient of part of the minimum required distributions from your IRA - a gift that reduces your taxes by reducing your adjusted gross income.
- Converting an IRA to a Roth IRA? A gift to the MCLF can provide deductions to offset income tax due on amounts coming out of your IRA.
- Not in a position to give now? Deferred gifts are also most welcome and appreciated!
 - Make a gift to the MCLF in your will or your trust. Be sure to let us know so that we can thank you.
 - Create a "charitable remainder trust" reserving a lifetime income for yourself with the remainder passing to the MCLF at the end of your life.

Your tax advisor can help you assess the best way for you to become a Library hero.
