Message from Library Director, Lana Adlawan:

Greetings, Marin County library lovers!

I've been connecting with so many of you over the last few weeks as we followed up on the responses to the community survey you completed at the end of 2021 and early 2022. As I said to so many of you, "I feel like I'm making hundreds of new friends across the county!" Thank you to those of you who met with me in person, online or by phone. As the new library director for Marin County Free Library, I appreciate the stories shared with me about our library system. It is clear to me that our library system and staff are treasures to so many residents in our county. We received just under 5000 responses to our community survey and the response was overwhelmingly positive. Over the next year, we will continue to review your feedback as we plan programs and services in response.

There is no better way to continue to share your appreciation for your local library system by celebrating the staff that make library magic happen. National Library Week is April 3-9, 2022, and libraries across the country are celebrating! Stop by your local branch this week and thank the teams that work incredibly hard to meet the needs of our community.

Also, have you checked out a [Park Pass](#) lately? You should! As the daylight is long and the weather is beautiful, take advantage of this incredible library service which offers free entry and parking at our local parks.

Enjoy!

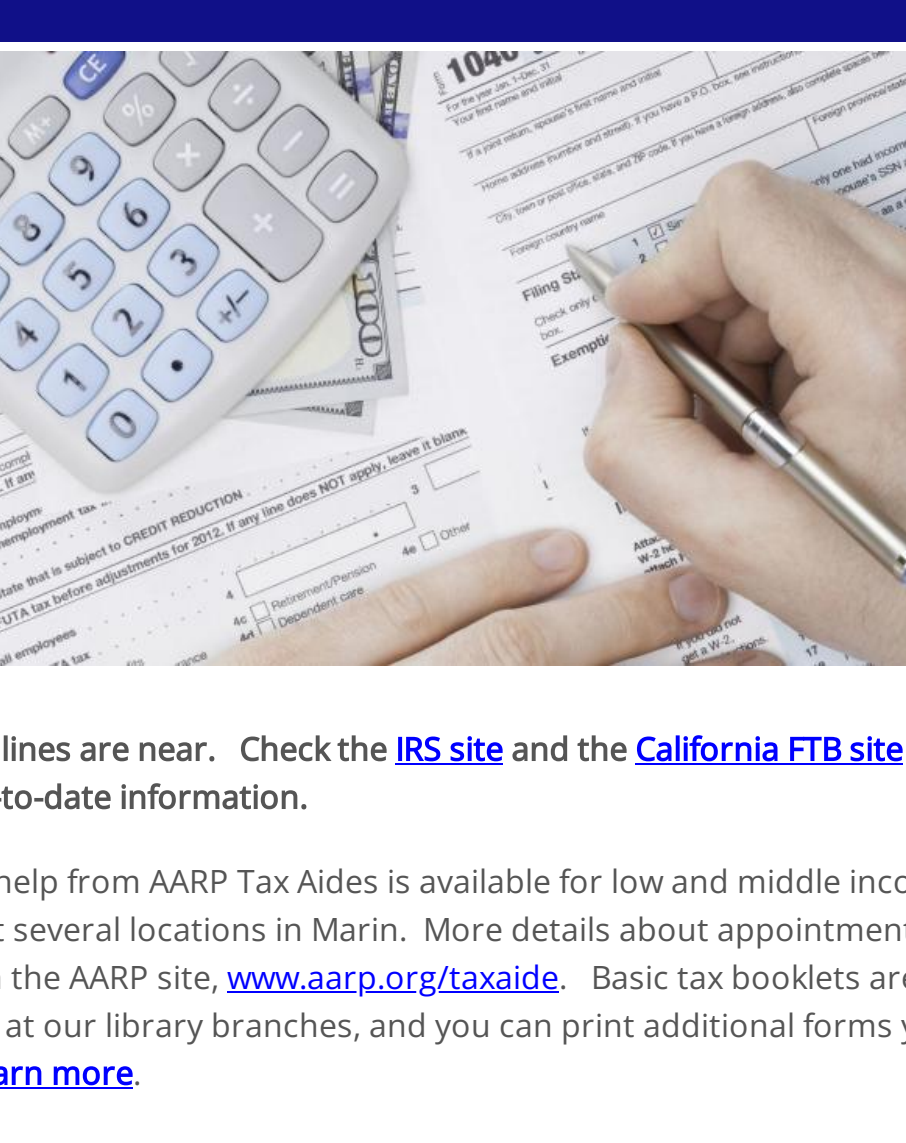

Lana Adlawan

Director of County Library Services
