Back to Bedtime Picture Book Awards

The annual Back to Bedtime Picture Book Awards are now open for nominations! Nominate your favorite picture book published in 2024 by March 31.

We are honored to receive the award and recognition with all the librarians in Marin as a way to celebrate the joy of reading picture books with children. Reading picture books with children is a powerful way to build a lifelong love of reading and learning together. Together, we can make the library a space for children to discover the magic of books and the wonder of reading.

There are two ways nominations for a picture book may be put forward, either by a [Reading List](#) or [Nominations](#). Anyone may nominate a picture book.
